

UNDERGRADUATE DEGREES & PROGRAMS

On the pages that follow, the degree, certificate, and credential programs offered by the University of La Verne are listed with the college and department. Topical lists follow with the page numbers indicating location in this catalog.

Undergraduate Studies

In addition to the following established programs, undergraduate students at the central campus may design their own majors in one or more departments to meet their personal interests and needs. For further information on individualized majors, please consult the appropriate department(s) or your academic advisor.
